Charging and Remissions Policy

Aim

The aim of this policy is to set out what charges will be levied for school activities, external lettings and extended school provision, what remissions will be implemented and the circumstances under which voluntary contributions will be requested from parents.

Definitions

Community Facilities – activities which the governors do not feel is of direct educational benefit to children at the school

Extended school provision – provision of childcare outside the standard school day where it is optional as to whether the child attends

External Lettings – letting to an organisation other than the school

Remission – where a charge is not payable, either in full or in part

Sinking Fund – a reserve put aside over a number of years to pay for major maintenance or renewal costs

Charges

- (a) Board and lodging on residential visits (Charge – not to exceed costs)
- (b) The proportionate costs for an individual child of activities wholly or mainly outside school hours ('optional extras') to meet the costs for:
 - (i) travel
 - (ii) materials and equipment
 - (iii) non-teaching staff costs
 - (iv) entrance fees
 - (v) insurance costs(Charges not to exceed costs)
- (c) Individual or group tuition in the playing of a musical instrument (Charge not to exceed cost of tutor)
- (d) Education, transport or examination fee unless charges are specifically prohibited (Charge not to exceed costs)
- (e) Breakages and replacements as a result of damages caused wilfully or negligently by pupils (E.g. lost reading books - £5.00)
- (f) Extra-curricular clubs and extended school care activities such as; breakfast club, after school club, and 'wrap around' nursery care (See list of charges)
- (g) Letting of the school premises or grounds (See list of charges)
- (h) Charges for materials or ingredients where the pupils wish to have the finished product (Charge not to exceed costs)

Consideration is given to:

- the proportion of the costs recovered where a charge is to be made;
- whether any remission is to extend beyond the statutory minimum;
- whether or not special consideration is to be given to hardship cases not contained within the exemptions and how this is to be determined;
- arrangements for education where the parents fail to pay the charge being levied by the school;
- the level of support from the school budget where the level of voluntary contributions is insufficient to fund the visit or journey;
- the maximum amount that can be used from the school's budget to support community facilities is the amount of the school standards grant allocation;
- any charge for a pupil activity should not exceed the actual cost. If further funds need to be raised to help in hardship cases, this must be voluntary
- for lettings, the charge should at least cover the cost, including:
 - Services (heat & light)
 - Staffing (security, caretaking & cleaning)
 - Administration
 - Wear & tear (sinking fund)
