Opening minds, shaping futures

Dates for your Diary:

10th June – Deadline for Fathers Day room payment

14th June – PTFA Father's Day Room

16th June – Father's Day

19th June – KS2 - AM

19th June – YR & KS1 - PM

26th June – Nursery Sports Day

9th July – Reception, Lower Drayton Farm

Reminder:

We will always encourage children and parents to travel to school on foot, bike or scooter. This is a great bit of physical exercise, reduces your carbon footprint and also lessens traffic outside of school making our roads safer.

We must remind you however that once you are on school property, bikes/scooters/vehicles should be dismantled and wheeled across the bike shed to be put away. They should not be ridden on, inside the playground, under any circumstances.

This is to keep yourself and others safe.

Year 1 celebrated Rio Day this week for their latest topic where they are learning how our culture compares to the people living in Brazil!

This has included taste testing foods and samba dancing.

Cross-Country Final!

Our Year 6 cross-country teams, who made it through to this year's district final, took part on Thursday 6th June at Penkridge. Although they qualified way back in the autumn term and didn't think they'd be able to compete in the final due to a calendar clash, they all went out there and gave it their absolute best. We had some really strong and brave performances, with everyone determined to do their bit for the team effort. We couldn't be more grateful either to the two year five boys that helped to complete the Year 6 team in the competition. Well done to you all!
