

Friday 6th September 2024

Opening minds, shaping futures

We have had a super start back in school this week. We kicked it off with two very busy INSET days focusing on how we can continue to drive forwards with our actions following OFSTED and implementing our aims and vision.

Children returned on Wednesday looking very smart in their school uniform. Please remember that we agreed polo shirts for the Summer term but children should now be back in their shirts and ties for the Autumn term.

You will be pleased to hear that everyone has settled very quickly in their new classes and are busy learning.

Dates for your Diary:

9th Sept – Choir Club restarts

12th Sept - Y5&6 Football trials

We are pleased to welcome back Mrs Helen Thacker who has joined our team in Nursery. I'd also like to take this opportunity to welcome all the new children and parents who have joined us this September.

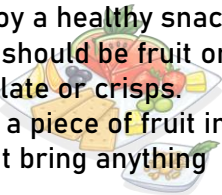

Over the holidays there has been a lot of workers busy around school. Our Key Stage 2 boys' toilets have been refurbished and are now in a much better condition for the children. We have also had a new fire alarm fitted throughout school which has been a mammoth job! The workmen have a couple of after school sessions to finish off before it is up and running. (Our old system is still in place until this is completed.) The classrooms upstairs for Years 5 and 6 have been redecorated and look much fresher.

Reminder:

Children in Key Stage 2 can enjoy a healthy snack from home for breaktime. This should be fruit or cereal based with no chocolate or crisps.

Children in Key Stage 1 receive a piece of fruit in school each day so should not bring anything additional.

Please note – We are a nut free school as several children and staff have allergies.

Child Behaviour Direct

Do you want to know more about why your child behaves the way they do? If so, the 'Parents Guide to Children's Behaviour' Programme is for you.

Following previous successful courses we will be delivering a six week programme in school for parents starting Monday 7th October 2024 (not during half term), day, and time to be arranged.

Please reply to this message or contact the school office to sign up.

Class:	Percentage:
Ash	100%
Elm	100%
