

Opening minds, shaping futures

Friday 25th October 2024

I hope you found parents evening informative and enjoyed looking at your child's work. There was lots of positive feedback from parents around school and the children had obviously enjoyed sharing their learning experiences at home. They seemed particularly proud to share the work in their books. Hopefully you had opportunity to look through the "Big Books" which show the great range of learning opportunities the children have working together and practically.

Hopefully you will have seen in the main entrance the photographs of our newly formed governing body. As we return after the holidays we will be looking for some additional parent governors to join the team. Please look out for the invite if you are interested or speak to school for further information.

Mrs Anderson also displayed information about SEND – Special Educational Needs and Disabilities – and how children are supported in school.

The focus for our INSET day in school today has been looking at how we enhance and develop learning activities for children through the challenge in our curriculum. When school returns after the half term break, I am looking forward to sharing some of the learning and activities children have participated in to demonstrate their talents.

Two of our football teams competed in the first round of the ESFA Pokemon Mini Soccer at Codsall High School on the 17th and 18th October

The U11 Boys' Football Cup got underway with a first draw match against St Christopher's Catholic School, Codsall, on Wednesday 23rd October. With 5 fantastic goals and some quality all round performances, Westfield secured a 5-0 win and progress to the next round. Well done lads!

Dates for your Diary:

4th – 8th November – Year 6 Residential

10th November – Remembrance Sunday – Poppies will be on sale in school from Monday 4th

15th November – Children in Need

27th November – Year 5 visit to Black Country Museum

Don't forget to turn your clocks back one hour this weekend!

Thank you

Thank you for all your kind donations of books for use in the school library. We always welcome pre loved books in a good condition.

A special thank you goes to Mr and Mrs Waddams who kindly made a donation which has funded additional Little Wandle books for the children in Year 2.

Congratulations to the Year 4 football team who finished 2nd in the WAKAPS tournament, narrowly missing out on 1st place on goal difference

Our year 3 and 4 cross-country runners competed in round 1 of the School Games cross-country competition at Westfield on Thursday 10th October. For some of them it was their first experience of long distance running. With a convincing win from Mason in year 4 and some superb individual and team performances, Westfield has ensured that of those who competed, at least 3 teams out of 6 will progress to the district final next year. Finalists will be confirmed nearer the time. A great result Westfield!
