

Opening minds, shaping futures

Friday 17th October 2024

This half term has flown by and it's difficult to believe that children have only four days left in school.

Today children from Years 3 and 4, who are in the choir, visited Bridge Manor Care Home as they officially opened their top floor. They sang some of their favourite songs and made everyone smile with their super singing and actions. Well done and thank you to Mrs Stewart who took them and also Miss Hamilton and Miss Stowe who also work with the choir each week after school.

Thankyou

It has been a very busy time in school with sporting events and I would like to take this opportunity to thank parents for their continued support in transporting children to and from activities and competitions. We wouldn't be able to participate without your help.

Book Fair

We are pleased to welcome the book fair back in to school next week. Children will spend time browsing the books during the school day and will bring home their wish list! You have the option of paying online for the books and we will send the order home with your child or the book fair will be open during parents' evenings for cash purchases only. Unfortunately we don't have use of the card machine as we did last year. Please make online payments by 3.30pm on Wednesday 23rd October.

Dates for your Diary:

22nd October and 24th October – Parents' Evenings R to Y6
18th, 21st, 22nd and 24th October – Parents' Evenings -Oaks
25th October – INSET day (School closed to pupils)
Monday 28th October to Friday 1st November – Half Term
4th – 8th November – Year 6 Residential

Play equipment

We hope you all like the new play equipment which the children will be able to use from Monday next week.

It's also great to see the new scooter hut being put to good use too! Please be mindful of leaving items on the playground when school finishes. The playground is not secure after 3.20pm and we are unable to guarantee the safe keeping of items outside of the school day.

Don't forget **Parents' evening** next week on Tuesday and Wednesday when you will be able to look through your child's work and talk with their teacher. If your child has a Special Educational Need, you also have the opportunity to talk with Mrs Anderson by booking an appointment through the office.
